

NOTICE TO CUSTOMERS WHO HAVE OVERDUE CITY UTILITY BILLS

THIS ANNOUNCEMENT IS OF PARTICULAR IMPORTANCE TO CITY OF TEMPLE UTILITY CUSTOMERS WHO HAVE OVERDUE WATER AND SEWER BILLS.

A month ago the City of Temple sent a notification letter to all Water and Sewer customers who have past due water and sewer bills. The message was that if these past due bills were not paid very soon, your water would be cut off.

Some people paid their overdue bills. Some did not pay their past due bills.

Please be advised that starting at the first of next week (Monday afternoon, March 12), the City of Temple will start cutting-off the water service of those customers who still have past due bills.

For those residents and businesses that have past due bills, payment needs to be made. And keep in mind that if your service is cut-off, a "re-connect fee" must be paid in order for service to be restored.

Bill Osborne, City Administrator -- Temple City Hall -- 770/562-3369
