OLD BUSINESS

1.) **Capital Budget Ordinance** – second read

City Administrator, Mr. Hill read the ordinance in its entirety. Council Member Walden motioned to approve the ordinance as read. The motion died for a lack of a second. Council Member Ransom wanted to make sure that the department heads knew that any money not expended did not carry over and stay in their department. Instead any money not spent as it is laid out in the budget and subsequently approved by Council would go back into the big pool to be used in formulating the next budget. She also wanted to be sure that everyone knew that each project still has to be approved by the Council. Council Member Ransom motioned to approve the ordinance, seconded by Council Member Walden. Motion passed 3-0
