

**City of Temple
Special Called Meeting
September 12, 2016, 6:30 pm
Temple City Hall**

Call to Order:

The meeting was called to order at 6:30 pm by Mayor Lester Harmon.

Invocation:

The invocation was given by Mayor Harmon.

Council Members present constituting a quorum:

Richard Bracknell
Penny Ransom
Todd Rothwell
William Simmons
Howard Walden

Mr. Bracknell made a motion that they adjourn the meeting due to the fact that the City does not have an attorney, second by Mr. Walden.

Mayor Harmon stated that there was a motion and second to adjourn and asked if there was any discussion. Ms. Ransom stated that some items on the agenda did not require a vote and she said that some items like the bond compliance should be able to be dealt with tonight. The Mayor said that it was due on 08/27/16, the bond compliance letter is not mine, but the creditors ask for this bond compliance certificate every year and last year he thought we were at 0.95 and this year the compliance is supposed to be 1.05. This year the initial unaudited numbers, the auditors thought it might be as low as 0.38 but it turned out it is 0.59. He wanted the Council to be aware of this before I send a document, because it is not his compliance but this is something that was voted on to have done. He asked if there were any questions, there were none.

Mayor Harmon stated again that there was a motion and second to adjourn the meeting because we do not have a City Attorney. He stated he has talked to some attorneys and will be recommending one soon. Vote 5-0 to adjourn.

Mayor Lester Harmon
