

Temple Founders Day Celebration

Each year we look forward to September to celebrate Temple Founders Day with our neighbors, friends and community members. It is with great sadness we have decided to cancel Founders Day activities for 2020. As a committee, we focus our time and resources on giving our town a wonderful day full of events and downhome fun. We cannot, in good conscience, host a gathering of this magnitude and risk the health and well-being of our community.

We thank all our vendors, participants, volunteers and others who put in hours of hard work so we can celebrate and show our Temple Pride. We look forward to continuing our traditions next year and even have a special new addition in the works. **Save the date! We will see you on Saturday, September 25, 2021!**
